THE TRUTH ABOUT SPORT

CHINESE WILL BE SEEN IN ACTION NEXT SATURDAY

But Whether Against the J. A. C.'s or the Hawaiis Is Not Definitely Decided — Good Practice Yesterday

Whether the Chinese team will appear against the J. A. C.'s or the Hawaiis this coming Saturday is not definitely decided at the present time, but it is certain that the recently returned ball tossers will be seen in action against one or the other of the Senior League organizations. Some obstacles in the way of a game with the J. A. C.'s at that time are scheduled to play in a league game Sunday, but the Hawaiis have a Sunday off, and will be glad to accommodate.

"It has been commented on that members of the Chinese team have signed on with some of the Oahu League teams, and that this is likely to break up our combination," said Captain Akana this morning. "Now we are first of all the Chinese team, and any other arrangements by the players are secondary. Because some of the boys have gone in to fill out the latter part of the season doesn't mean that there will be no Chinese team next year. On the contrary, there is a chance that the Chinese will be in the league themselves, and if that is the case we will have about the same bunch as we have now."

The Chinese players were out yesterday afternoon for a warm up, and they showed little effect from their lay-off and sea voyage. There was plenty of speed and pep in evidence, and altogether the team put up quite an impressive exhibition.

A man isn't necessarily stingy because he refuses to tell a joke at his own expense.

NO ATHLETICS FOR KAM GIRLS UNTIL FIRST OF THE YEAR

Construction of New Buildings
Destroys Tennis and Basketball Courts—Being Re-built

The Kamehameha girls, much to their disappointment, will be unable to indulge in athletics this year. In previous years they have had tennis to their heart's content but this year they lack tennis courts and basketball courts and so they will have to settle down to a season of much mental work, unvaried by exciting matches of basketball or tennis.

However, all is not gloom at the Kamehameha Girls' School. There is one bright light of hope on the horizon of school activities and that is a play which is to be given by the girls next Saturday. The name is "Hawaiki" and it was played with great success by the girls last year. Renewals are at present the main topic of conversation at Kam and the play is expected to be a greater success this year than last.

Athletics will be resumed January if all goes well. The reason for the present discontinuation is the erection of a new building which destroyed the old tennis and basketball courts. New courts, even better than the old ones, are now under construction and consequently the girls are able to curb their athletic desire until the beginning of the new year.

After such a rest which has been forcibly imposed upon them, they should be able to blossom forth with increased success in their athletic activities.

HERE'S A CORRESPONDENT WHO SHOWS SOME SPEED

That the Star-Bulletin's San Francisco correspondent, Mr. E. N. Smith, is a young man who shows some speed is indicated by the following dispatch:

ARRESTED IN SAN MATEO. E. N. Smith Feels Arm of Law as Result of Auto Speeding.

SAN MATEO, October 6.—E. N. Smith, a Trustee of Burlingame, was caught in the police drag net set here for the Sunday auto speeders endeavoring to "burn up" San Mateo's thoroughfares. Smith, who figures prominently in Burlingame's municipal life, was speeding in his auto with reckless abandon, according to Special Policeman Maurice Sheehan, who placed the Trustee of San Mateo's rival community under arrest for violating the motor speed law. Smith was released on \$15 bail and will probably face trial tomorrow. Burlingame's speed officer was on the alert all day, but up to a late hour had not succeeded in capturing a San Mateo Trustee to exchange as a prisoner of war.

GIANTS TOO MUCH FOR THIS PAIR OF HURLERS

GIANTS FALL ON RED SOX BOX ARTISTS

The following is another account yesterday's world's series game, by wire to the Advertiser: BOSTON, October 15.—"Smokeless" Joe Wood, Boston's premier pitcher, was jolted off the rubber in the first inning of today's game, when the Giants lambasted his offerings for seven hits, scoring a total of six runs. His rout was more convincing than that of "Buck" O'Brien yesterday, and gave the McGraw crew its first taste of the victory which was to follow.

Charley Hall, of Ventura, California, succeeded the speed marvel in the second, but the victors continued to pummel the Boston hurler and ran the count up for several additional tallies. "Larry" Doyle, captain of the Giants, drove a long homer that scored a man, and "Big Chief" Meyers starred for the Giants with four hits. "Big Jeff" Tesreau was clouded at intervals, but with the tremendous lead given him by his team-mates, he couldn't very well lost out.

Gardner, for the Red Sox, added a home-run slam to his previous batting record. There were several good fielding stunts, but the game was essentially slugfest from beginning to end. Everything now centers on the final game tomorrow, with Mathewson and Wood favored as the opposing twirlers in the final game.

Lineup. New York—Devore, rf; Doyle, 2b; Snodgrass, cf; Murray, lf; Markle, 1b; Herzog, 3b; Meyers, c; Fletcher, ss; Heston, p; Wilson, c. Boston—Hooper, rf; Yerkes, 2b; Speaker, cf; Lewis, lf; Stahl, 1b; Gardner, 3b; Cady, c; Wagner, ss; Wood, p; Hall, p. Score by innings: New York 6 1 0 0 0 2 1 0 1—11 Boston 0 1 0 0 0 0 2 1 0—4 New York 16 hits and 4 errors; Boston, 9 hits and 5 errors. Batteries—For Boston, Wood, Hall and Cady. For New York, Tesreau, Meyers and Wilson.

Evidence has been brought out by the government in the Indianapolis trial of the dynamiters, that the McNamara had planned to try to blow up the Panama Canal.

CHANGES IN UNIFORMS BRING PROTEST FROM NAVY				
WASHINGTON, D. C., Oct. 5.—Naval officers are up in arms against the latest order of the department making changes in their uniforms. Each officer will have to spend \$300 to \$500 for the new uniforms and changing old ones.				
The order, say the officers, is without justification and imposes a financial hardship on every one from rear admiral to middle.				
The recent order to which they object lengthens the coat collar and frog coat with velvet collar for the cloak.
